**UK Product Name** Joint Soothe tablets (MA4572) **Code Name** MA4572

**Availability** Stock item in UK

## Description

Helps maintain clear, cool joints and muscle comfort.

### Healthy Joints and Muscles

Ayurveda identifies two major types of joint problems. The first type is associated with poorly nourished joints or low bone density and overall weakness in the joints. Because the bone is not getting the nourishment it needs, it starts to degenerate.

The second kind is associated with accumulation of toxins in the joints. As ama (the sticky, toxic waste-product of incomplete digestion) accumulates in the joint, it first creates stiffness and heaviness. If it stays there for a long time, the joint can become swollen and painful. Damp, cold weather can aggravate this type of joint problem.

Joint Soothe tablets are designed to support healthy joint function and help keep them free of accumulated toxins. The herbs Guggul and Tinospora in combination help cleanse fat tissue, bones and joints. Shilajit, Aswagandha and Indian Asparagus provide long-term bone and joint nourishment, while Aswagandha, Indian Asparagus and Ajowain support joint mobility.

### Improve These Ayurvedic Factors

This formula:

- Supports the natural detoxification processes with Guggul, Tinospora, Coriander, Long Pepper and Black Pepper.
- Supports the body's ability to keep joints free of inflammation with the combination of Guggul, Garlic, Ginger and Long Pepper.
- Nurtures the joints due to the presence of Aswagandha, Indian Asparagus and Tinospora.

## Ingredients

Botanical Name	Common Name	Plant Part	Rank	%	Quantity(mg/500mg)
Pluchea lanceolata Oliver & H	Indian Groundsel	Leaf	0	3.61	18.1
Zingiber officinale Rosc.	Ginger	Rhizome	0	3.61	18.1

**Contraindications/Precautions** Unsupervised long term use of this product is not recommended during pregnancy. We advise that you stop using the product when you suspect that you are pregnant and consult an Ayurvedic practitioner about its further use during your pregnancy. May occasionally loosen the bowels Do not use during diarrhoea.

**Over dose and its Management** An intake of 2-3 times more than the recommended dose is generally well tolerated. In case of intake more than this, skip the next dose. In case of discomfort consult your health advisor.

**Side Effects and Interactions** None known

**Potential Allergens**

## Usage

**Age Group** All

**Dosage Form** 500mg tablet

**Method of Use**

**How Long to Continue Use?** As recommended at <http://www.maharishi.co.uk/how-to-make-the-most-of-your-maharishi-ayurveda-products>

**Specific Dietary/Lifestyle Advice** Related Health Tips  
 ·Eat sweet, juicy fruits daily.  
 ·Adjust your diet to reduce raw foods, including salads.  
 ·Reduce heavy foods such as dairy products and meat—they can contribute to a buildup of toxins around the joints.  
 ·Use ginger and cumin when you cook—they stimulate the metabolism for healthy joints.  
 ·Don't skip meals.  
 ·Avoid hot, spicy foods and hot drinks.  
 ·Eat stewed apples cooked with cloves in early morning.

## Presentation

**Presentation** 60 tablets in an amber PET bottle with t/e lid

**Net Weight grams** 30

**Storage** Store in a cool, dry, dark place, tightly closed

**Shelf Life (months)** 60

**Regulatory Status** Food Supplement
